Re: Annual Asbestos Notification

Dear PTPLA Families and Staff,

In compliance with the Asbestos Hazard Emergency Response Act (AHERA), PTPLA is required to notify parents, teachers, and employees annually of the presence of asbestos-containing materials in our school buildings.

Our recent inspection determined that no asbestos-containing materials are present in our school site of 4149 Highline Blvd., Oklahoma City, Oklahoma 73108.

The Asbestos Management Plan is available for review at the PTPLA main office during normal business hours. If you would like to review the plan, please contact Ms. Gema Bernardino via email at Gema.Bernardino@ptpla.org or via phone at (405) 870-8001.

Thank you for your attention to this important information.

GREATER is here,

Ms. Dawn Bowles, M.Ed., Founder & Superintendent
